## **NATIONJOB.COM ANNOUNCES NEW COMMUNITY JOB NETWORK™**

Greenville-Pitt County (NC) Chamber of Commerce Joins NationJob Community Partner Network™

**Des Moines, IA (1/26/2010)** NationJob.com is excited to introduce the newest Chamber in our Community Partner Network™, the Greenville-Pitt County Chamber of Commerce in Greenville, North Carolina.

Through this partnership, NationJob created a job board featuring Greenville and Pitt County opportunities. While the site officially launched today, the first participant, ASMO Greenville of NC, Inc., began posting jobs on the site several months ago.

"After we introduced the program to the Chamber Board last fall, ASMO was so excited to get started that they asked if they had to wait until the program officially launched," said Ralph Hejlik, CEO of NationJob. "Of course we were more than happy to create the page and have them up and running right away! It's great to launch a program with local companies already participating."

As part of the launch, a meeting was held at the Chamber of Commerce office with representatives from local employers of all sizes attending. Within a few days, a second employer, One Source Communications, was also participating as an investor in the program!

The program is a considerable value-add for Chamber members. Companies of all sizes can utilize NationJob services and take advantage of the local, regional and national recruitment reach offered by the network of sites.

"This is a forward-thinking program that will continually grow as a benefit for our members as the economy grows. We are trying to make sure we have every tool necessary to help businesses be suited up and on the field, ready to play when the economic game begins again," said Susanne Sartelle, president of the Greenville-Pitt County Chamber of Commerce.

The Greenville-Pitt County Community job site can be found at [www.NationJob.com/Greenville-Pitt-North-Carolina-Jobs](http://www.NationJob.com/Greenville-Pitt-North-Carolina-Jobs). There job seekers can search and apply to local employment opportunities as well as sign up to receive e-mail updates of future job postings.

The Community Job Network™ is a partnership between NationJob.com and membership based organizations. NationJob creates a job board specific to the organization, either geographically or by industry, and the organization can offer NationJob's online job posting service at significantly discounted rates.
